## About ASG

Aronson Security Group (ASG) is the premier independent integrator of enterprise security solutions. Building on a strong reputation for engineering and service for over 45 years, ASG provides engineering excellence, world-class service, and security expertise to premier regional and national organizations.

After an extensive bid and selection process, the Washington State Department of General Administration named Aronson Security Group as an **approved supplier** under Washington State Contract (WSC) #08601. Organizations that purchase through the Washington State Department of General Administration now have access to ASG's portfolio of **state-of-the-art security solutions** as well as best-in-class security system design, engineering, consultation, installation and other services by using this contract.

## About the Washington State Department of General Administration (GA)

The Department of General Administration is a central support agency for state government. The GA offers **advantageous pricing** for products and services by negotiating on behalf of its member entities.

## Overview: Washington State Contract (WSC) #08601

WSC #08601 is a convenience-use contract for the purchase of door hardware and related security access equipment. Under this contract, ASG is able to **provide discounted security equipment and hardware** to members of the GA cooperative. Members have access to ASG's portfolio of state-of-the-art security solutions from manufacturers such as Lenel, GE Security, Bosch, MAXxess, ESD, Philips/Bosch, Panasonic, Pelco, and Integral Technology. In addition, ASG also **provides security system design, engineering, consultation, installation and other services** under this contract.

## Who Can Utilize WSC #08601?

The Washington State Contract is available to GA member organizations such as Washington state, city, and county agencies, public utility districts, school districts, fire districts, law enforcement agencies, and certain non-profit organizations.

## How Do I Use This Contract?

To be eligible to use this contract, your organization **must be a member of the GA cooperative**. If you are unsure of your membership status, contact

your purchasing department. Members of the GA cooperative may purchase through this contract **directly from ASG** by notifying us that you are a member of the GA cooperative and wish to use WSC #08601 to make your purchase.

## Advantages & Benefits of Using WSC #08601

- **Eliminate the Bid Process:** Bidding each project is not required when you purchase through the GA Contract. The Department of General Administration has pre-negotiated favorable rates that reflect the buying power of the entire state of Washington.
- **Single Point of Contact:** ASG will appoint an Account Executive that will guide you through the project from planning to the delivery of each security solution.
- **Save Time, Save Money:** By eliminating the bidding process, managing the entire system implementation, and reducing the need to pay costly consulting fees, ASG saves you time as well as money.
- **A Future-Proof Solution:** ASG will deliver a holistic security solution that considers your expansion, system compatibility, and budget well into the future.
- **A Lasting Partnership:** ASG has delivered security solutions to government agencies for over 45 years. Each project benefits from the vast experience and best practices that our world-class team has gained through the successful delivery of many government projects.
